

E-Line Hi-Flash Maintenance Cleaner

1626

Maintenance cleaners clean oil and contaminants off of metal parts, printed circuit boards, barcode instruments, switch boxes, gear boxes, and engines. Techspray has produced Blue Shower maintenance cleaners for over 30 years, making Blue Shower a staple in maintenance departments all over the world! Techspray offers a variety of solvents and waterbased cleaners that allow customers to match the right products with their cleaning needs. Choosing a strong, high quality cleaner saves time and money. Grease and oil flow right off, reducing the time and materials needed to scrub off stubborn soils.

Light duty degreaser with low odor & high flash point

E-LINE Hi-Flash is a non-chlorinated, light duty degreaser and electrical cleaner. Ideal for cleaning light oils and carbon residues from control panels, switch plates, enclosures, and work surfaces. Slower evaporation allows solvent to soak in and break down difficult soils.

- Ideal for electrical & maintenance cleaning
- High flash point
- Non-chlorinated
- Plastic safe
- Low odor
- Low toxicity
- Non-ozone depleting
