

ARMRESTS FOR TRESTON ERGO AND PLUS NOW WITH DEPTH ADJUSTMENT

We have now updated the armrests ARE for Treston Ergo and Treston Plus chairs, by adding the depth adjustment. The adjustment features are thus as extensive (4D) as in ESD-version ARE-ESD.

ARE armrests have now 4D features:

- Height adjustment
- Width adjustment
- **Depth adjustment**
- Possibility to swivel

AVAILABILITY AND PRICES

This updated model of ARE is already in stock, prices remain the same.
