

BRACKET FOR SMALL PLASTIC STORAGE CABINETS

Newest addition to our selections of accessories is a bracket M750 for plastic storage cabinets (series 290 and 550). Bracket can be fitted between M750 uprights and is suitable to be used for example in Basic trolley, any workbench with uprights, industrial screen. Two plastic storage cabinets can be mounted side by side on bracket. Higher plastic storage cabinets (series 550) needs another similar bracket at the bottom for support. With three brackets it is possible to mount two plastic storage cabinets on top of each other. It is also possible to add/remove the lower cabinet when the upper cabinet is in place.
