

## DRAWER UNIT 45 DIVIDER SETS

New drawer divider sets are now available for Drawer unit 45 series. There are four ready-made steel divider sets available.

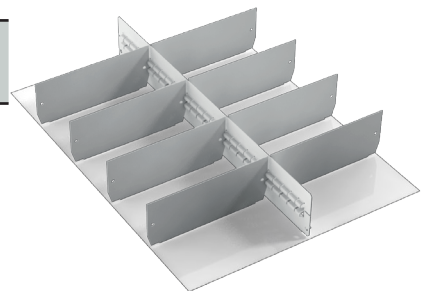

### Divider set 1

4 x horizontal dividers 375	Item code	EAN code
Drawer 45/100	872991-49	6416763079490
Drawer 45/ 150 and 45/200	872996-49	6416763079506

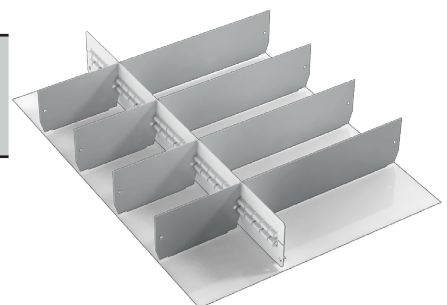

### Divider set 2

1 x vertical divider, 8 x divider plate 185	Item code	EAN code
Drawer 45/100	872992-49	6416763079421
Drawer 45/ 150 and 45/200	872997-49	6416763079438

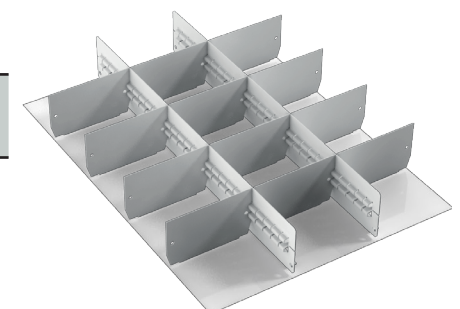

### Divider set 3

1 x vertical divider, 4 x divider plate 125, 4 x divider plate 250	Item code	EAN code
Drawer 45/100	872993-49	6416763079445
Drawer 45/ 150 and 45/200	872998-49	6416763079452

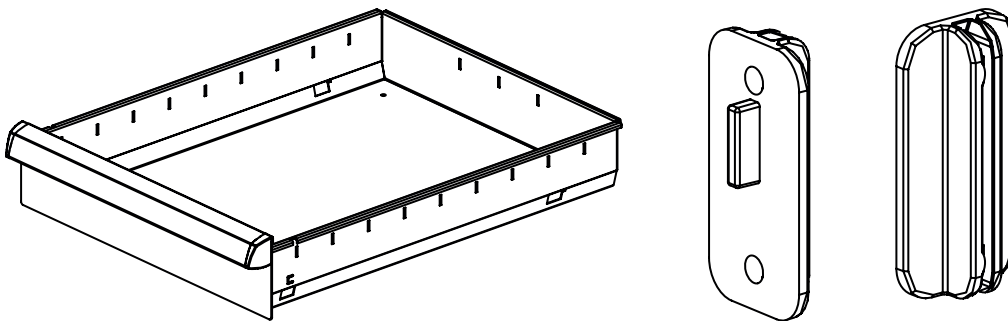

### Divider set 4

2 x vertical divider, 12 x divider plate 125	Item code	EAN code
Drawer 45/100	872994-49	6416763079469
Drawer 45/ 150 and 45/200	872999-49	6416763079476

The dividers are attached to the drawer with plastic holders (included in the divider sets) and therefore the drawers have been modified accordingly by adding fixing holes for the holders (as of 1st November 2017).

The divider parts can be also bought separately, but please note that the pricing favors the ready-made sets.

Spare parts	Code
Vertical divider 45/100	872300-49
Vertical divider 45/150 and 45/200	872301-49

### OLD DIVIDER SETS TO BE DISCONTINUED

Old divider sets will now be replaced with the new ones:

- 872982-49 -> 872991-49
- 872983-49 -> 872996-49

These old divider sets will be available until 30 June 2018.

Please note that the new divider sets cannot be used in the old drawer 45 models, but the old ones can be used with new drawer model.

### AVAILABILITY

The new divider sets are available as of 1 February 2018 from both Turku and Genk.
